Motorbikes, time and lemonade

If you tell me this one more time, I will let go.

...And above all, do not let go... For any reason, understood?

Handcuffs should only be worn by criminals!

if you're so worried about it, just hand-cuff me to you!

I'm being serious here!

You're the one that wanted to go for a ride.

We're barely moving...

Eek!

Muh fu fu, it's my first time riding a bike!

ガニョン

Mmm... What a lovely ride.

Watch your tongue, don't bite it.

We're crossing a big bridge.

Oh! A big bird!

Can I have them?

They're goggles.

What are you wearing? Glasses?

...

Ah, it's gone... The bird...

ピゅ

Let's go.

テテテ

Shall we go down?

There are some stairs here...

A horse?

...A bike is actually less bumpy than a horse.

Let's leave.

It's pretty difficult to put speed into words...

So that's what speed is like.

It's not that difficult... Speed is when "now" becomes the past.

Not bad...

Not bad at all...

On a bike, "a moment ago" gets carried away by the wind.

While you and I speak, we become "a moment ago".

While enjoying a lemonade for example...

To slow it down, you'd need to talk with someone...

Say... Don't you think morning goes by a little too fast?

Hop on.

Ask a clock.

What time is it?

I will tell all!

Ask me whatever you want...

You sure know a lot of things...

And something to drink too.

Let's buy something to eat, and enjoy it back home.

The clock in my stomach says it's about dinner time.

What about you?

I want to choose from the store's aromas.

What do you wanna drink?

ガルン。

I... Hmm...
